MASON COUNTY IS ASSIGNED SEVEN TIN HATS FROM HUNS

Captured German Helmets Will Be
Distributed Among Liberty Loan
Workers of the County.

It has just become known here that Mason county will share better than most counties in the Lexington district in the distribution of captured German helmets during the Fifth or Victory Loan Campaign.

A large number of these captured tin hats will be brought to the United States by the government to be used as prizes during the next loan campaign. The entire Cleveland district, in which Mason county is located, will be furnished with 6,000 helmets. The allotment has been worked out approximately on a basis of the number of subscribers in the Fourth Liberty Loan. Washington has not given a definite shipping date but they will be distributed in plenty of time to be in the hands of the various county officials before the end of the Victory Loan.

The Lexington area, in which Maysville is located, has been apportioned 369 helmets and Mason county is listed as the fifth largest county in the state. This means that we will receive the fifth largest number of helmets of any county in the district. Campbell county will receive 34 hats, Kenton 36, Fayette 19, Boyd 13 and Mason 7. The other counties in the district will receive 5 helmets each. Full particulars as to how these helmets can be obtained by the workers of the county will be explained by the campaign officials at a later date. The helmets will be displayed in the show windows of local stores as soon as they have been received here.

MIAMI GLEE CLUB GIVES A HIGH CLASS ENTERTAINMENT

University Men Give Program of
Beautiful Songs at High School
Auditorium Last Night—Read-
er Displays Unusual Ability.

The Miami University Glee Club pleased a very large audience at the High School auditorium Wednesday with a program of high class songs faultlessly rendered, selected readings and impersonations and Jazz music by a College orchestra.

The first part of the program consisted of several part songs and solos. The part songs were especially beautiful. This music is seldom heard here and in fact is seldom heard outside a college town but it made a hit with the local audience as was attested by the loud and long encores from the large audience. The solos by Messrs. Holter, Farquhar and Armstrong, were splendid and a quartette sang a march song which was full of pep and music.

The readings by Mr. Calderwood, who, by the way, has been on the Red-path program for several years, were far above the ordinary. Mr. Calderwood's first reading in which he took the part of an old actor who lamented the passing of the great actors of whom he and Booth were the stars "who hit a little bit" displayed great dramatic ability while his impersonations of a small boy and an Irishman were good.

The third and last part of the program was probably the most appreciated by the audience. In this part the boys threw themselves into the real college spirit as if they were on the campus and the University songs and camp songs were rendered with vim and ginger. The Jazz orchestra was good.

The young men's program was unusually good and they will be welcomed back to Maysville at some future date. It is interesting to note that all but two of the company of 33 young men, had seen service in the world war.

CIGAR LIGHTER MADE BY GERMAN PRISONER

Mayor Thomas M. Russell is the proud possessor of a brass cigar lighter made by a German prisoner in an American prison camp in France from a piece of brass taken from a discarded German cannon. The lighter was brought to America and presented to Mayor Russell by Stanley Lowrey, Maysville man just recently returned from Europe.

FOLKS ANXIOUS TO ASSIST IN BIG JEWISH RELIEF

Persons in All Parts of the State are
Anxious to Have a Part in Big
Drive For Jewish Relief
Fund.

Of all the intensely interesting and significant features of the great drive in Kentucky April 7-11 under the auspices of the American Jewish Relief Committee of New York to raise \$208,000 in this state for the relief of starving millions of Jewish people in the eastern European war zones is the eagerness shown by Gentiles as well as Jews to lend their assistance.

Col. Fred Levy of Louisville is the state chairman of the campaign and immediately upon taking up the work issued an appeal to a number of prominent men in the state to assist in the work. Their response by telegram and letter show the splendid spirit of appreciation of the work of the Jewish people in Kentucky in previous drives of every kind and hearty co-operation in this distinctive Jewish relief campaign. Among the many received were the following accepting appointments as members of the state advisory board:

Governor A. O. Stanley. "It gives me great pleasure to assist you."

Dr. W. A. Ganfield, President Centre College, Danville. "I am most happy to endorse and encourage the drive for the destitute and starving Jewish sufferers. It is a most worthy enterprise and deserving of the hearty support of all lovers of humanity."

Dr. S. P. Pettet, Ashland. "Am deeply interested in efforts for relief of Jewish war sufferers. Please inform me fully."

White L. Moss, Pineville. "I am very glad to assist in any way I can."

H. J. Allington, Newport. "Glad to serve."

J. W. Keller, Paducah. "I accept with pleasure."

Isaac L. Price, Paris. "Thanks for the honor bestowed upon me. Will accept and do best I know how."

W. F. Bradshaw, Jr., Paducah. "Will gladly serve."

S. Straus, Maysville. "Pleased to accept."

Richard P. Ernst, Covington. "Will be glad to accept as suggested."

Desha Breckenridge, Editor The Herald, Lexington. "Glad to serve in any way I can."

H. M. Franken, Hopkinsville. "Will be glad to accept."

J. P. Hobson, Frankfort. "Will be glad to serve."

Simon Wolf, Lexington. "Thanks for honor and will gladly serve."

Harry Giovannoli, Editor, The Leader, Lexington. "It will be a pleasure to me to serve."

Judge J. M. Benton, Winchester. "Glad to be of help."

Lee Birk, Owensboro. "Glad to be of any service."

Rev. O. Olin Green, pastor of the First Baptist Church of Richmond, accepting the appointment of campaign manager for Madison county, writes: "I am only too glad to render this little service in the interest of the starving and destitute Jew in eastern Europe by accepting the chairmanship in the coming drive to raise funds for relief work."

William H. Cooks, County Judge of Trig county, Cadiz. "We are not your service. Anything we are able to do will be done."

F. A. Bullock, County Judge of Fayette County, Lexington. "Will be glad to do anything in my power to promote the success of the campaign."

"HAVE A HEART" PROVES WONDERFUL SUCCESS

Those who were fortunate enough to see the big musical comedy, "Have a Heart" at the Washington Theater Wednesday night were certainly treated to a first class show. It is said by many to have been the best seen in the local theaters in years. It was spicy and yet clean. The orchestra furnished by the show added much to the attractiveness of the entire play. Two more first class musical shows are booked for early appearance at the Washington.

WEST UNION MEN ENTERTAINED HERE BY OUR BUSINESS MEN

Ohio Visitors Are Shown Interesting
Points About Maysville and Good
Will Exists Between Adams
and Mason Counties.

A very pleasant social evening was enjoyed by the representatives of the West Union Commercial Club, as the guests of the Directors of our Chamber of Commerce last evening.

In the delegation from West Union were Mr. J. O. McMaules, Cashier of the Bank, Doctors L. E. Willhite and E. T. Gibbons, Superintendent of the Infirmary, W. E. Warner, Omar Moore, County Treasurer, Wood Thompson, Recorder, Blair Nesbitt, Clerk, J. D. Williams, Ford Agent and S. R. Edgington Director of Commercial Club.

A very fine supper was prepared for the visiting gentlemen and Directors by Miss Host Daugherty at the Central Hotel.

At the conclusion of the meal Mr. G. H. Frank, toastmaster for the evening, called upon Judge H. P. Purnell for a few remarks. Judge Purnell in a few well chosen words welcomed the gentlemen from West Union and stated that words failed in his humble endeavor to express to them how glad the Board of Directors of the Chamber of Commerce were of the opportunity to entertain them as their guests.

He further stated that it is not the intention of the business men of Maysville to be selfish and unable to recognize the fact that our neighbors are entitled to their proportionate share of business and with such a thought in mind an invitation had been sent to the West Union Commercial Club to have a delegation meet with some of the representative business men of the community, in a social way.

He apprised them of the fact that Maysville, in her endeavor to create into the best tobacco, cattle and livestock product markets in this section of the country, was in a measure succeeding in her endeavor. We recognize the fact that if the markets are to expand to the extent that we desire it will be necessary for not only the Kentucky territory but the southern Ohio territory to co-operate in this endeavor and we will all profit by the effort put forth, for it is recognized that a good big market furnishes a better opportunity for the sale of the products than a small one. He urged the continued assistance of the men from Southern Ohio and in this section of country and assured the men of West Union if the men of Maysville could be of any assistance to them and co-operate for the development of Adams county, they would only have to make their wants known.

Mr. S. R. Edgington, one of the Directors of the West Union Club in response to Judge Purnell's kind words of welcome assured the representatives of Mason county that the business men of West Union recognized the fact in numbers there is strength, and if that county was to grow as the representative business men desired it should, it was very essential that they stretch out and join hands with the progressive citizens of all the adjacent counties.

He expressed his appreciation of the courtesy extended the men by the local Chamber of Commerce and assured them that the men of his community at all times, desired to co-operate with the citizens of Mason county and strive for the desired development of the Southern Ohio and North Eastern Kentucky territory.

Mr. Frank, told the men that he greatly appreciated the fact of their accepting the invitation and assured

the delegation that it was not the intention of the merchants of this city to secure any of the retail business that was rightfully due West Union but he hoped the men would carry the word back to the citizens of Adams county that Maysville would like for them to remember our slogan, "If you can't buy it in West Union come to Maysville."

President H. J. Cochran of the Chamber of Commerce also gave the men assurance of the desire of the business men of Mason county to work harmoniously with those of Adams county in an endeavor to secure better roads and markets. He also expressed his hope that the men of Southern Ohio would continue to co-operate with our men in an endeavor to develop the territory which we were both interested in.

After the supper the men took a ride about the city, in machines, and were shown to some of the prominent places of interest after which they enjoyed the musical program rendered by the Miami Glee Club at the High School.

At the conclusion of the musical program Prof. Caplinger told the men of the progress of the Educational Life of the city of Maysville in recent years and gave them the opportunity of seeing what was being done in the Manual Training and Domestic Science Department.

The delegation then visited the new power plant which would be to the credit of a community five times the size of Maysville, after which President Cochran took them through the cotton mill and explained the various processes necessary in the making of a ball of twine.

The men thoroughly enjoyed the evening and expressed the hope that some time in the near future they would be again privileged to entertain a delegation of the citizens of Mason county.

DAMAGE SUIT BEING TRIED

The Mason Circuit Court began operating again today after a short recess and the time of the court is being taken up today with the case of Brammer vs. Morford. This is a damage suit in which the plaintiff claims to have personal damages against the defendant, Fleming county editor and lawyer, for injuries received when the defendant's automobile is alleged to have frightened a horse causing a runaway when the plaintiff was thrown out onto the pike.

FATHER IS LANDED IN JAIL FOR NON-SUPPORT

Fleming County Judge Puts Hum-
phries in Jail For Failing to Pro-
vide for His Children.

The Flemingsburg Times-Democrat says:

"Last week we had an item about the children of John Samuel Humphries, asking some one to adopt them. After that time Mr. Humphries took the children to Maysville and seemed to be dragging them around without making an effort to get work to support them, and Judge Fulton issued a warrant for him for failure to support his children, sent him to jail to be put to work, and sent the two boys to the county farm to be cared for until homes can be found for them. Anyone interested can get full particulars by calling on Judge Fulton. An amusing incident occurred Sunday morning in connection with this case. As a couple of gentlemen were passing the jail on their way to Sunday School, Mr. Humphries was at one of the upper windows of the jail, and remarked in a loud tone of voice: "Ain't it terrible to put a man in here for doin' nothin'?" Whereupon one of the gentlemen, without knowing why he had been put in jail, answered: "But you oughtn't do nothin'." When he found out the charge against Mr. Humphries he felt that his answer had hit the mark."

This man with his children came to Maysville a few days ago and asked for assistance from both city and county officials but was refused and returned to Flemingsburg.

ALLEGED FORTUNE TELLING FAKER IS RELEASED

The Vaneburg Sun says: At the trial Saturday of the woman charged with lifting \$310 from Sallie Barnes (colored) last week, she was discharged for lack of cause upon which to base an action. The Barnes woman did not want her prosecuted, being satisfied to recover \$301.50 of her money. So the party goes forth to practice her arts on another victim.

"JIMMY" BROWN LOOKING WELL

Mr. and Mrs. C. T. Brown, of Fourth street have just received a picture of their son, James, who was the first Maysville boy across the seas in the big fight which has just ended. "Jimmy" is looking fine, in fact, much better than ever before and says he's in the best of health but don't know when he'll get home.

DECISION ON \$100,000 ESTATE HANDED DOWN

Miss Elizabeth Power Controls Entire
Estate of Her Father, the Late
John H. Wilson, According to
Court Ruling.

One of the most important cases in the Mason Circuit Court in recent years was the suit for a construction of the will of the late John H. Wilson. This estate is estimated to be worth more than \$100,000 and is composed of some of the best residence and business property in the city of Maysville as well as some of the best farms in Mason county.

Under the will the estate was divided between the deceased's two daughters and the will stated that at the death of either or both the share of either or both was to go to Mr. Wilson's heirs. Mrs. Elizabeth Power, of this city is now the only child living, her sister having died some time ago. The chief matter of litigation in the case was as to who were the heirs of Mr. Wilson and to whom should the share of the deceased sister go.

Judge Newell's decision is that Mrs. Power is the only surviving heir and the deceased sister's portion of the estate reverts to her in fee simple while her own half remains hers only for life. The case will be taken to the Court of Appeals.

CRIMINAL CASES SET

The cases of the Commonwealth vs. Harry Warfield, indicted for forgery and against Archie Rigdon and Charles Craig, indicted for stealing from a common carrier, were set in Circuit Court today for trial on April 17th. As none of these defendants had lawyers, Attorney Frank P. O'Donnell was appointed by the court to defend them.

PURCHASES EAST END HOME

ROAD ELECTION PETI- TIONS CIRCULATED

A number of petitions calling for an election on the proposed 20 cent extra road tax for road improvement in this county during the spring and summer, are being circulated in various parts of the county just at the present time. It is understood that there is considerable interest in the county over the proposed assessment of an extra twenty cent tax for roads and it is more than likely that the election will be called.

GREAT PATRIOTIC BODIES UNITE TO HONOR BIRTHDAY

McElroy, head of the Department of History and Politics in Princeton University, who has been Educational Director of the National Security League under leave of absence, for the past two years.

Other members of the committee, who have accepted to date, are:—

Hon. William L. Harding, Governor of Iowa.

SIGNS OF DANGER

That Should Be Heeded by Maysville People.

There's serious danger in neglecting any weakness of the kidneys. The warning that Nature gives should not be overlooked. If trouble by too frequent passage of the kidney secretions; burning or scalding; if the secretions are highly colored and contain sediment when left standing—if you have backache, too, with frequent headaches and dizziness, make up your mind that your kidneys are affected and begin using some reliable kidney remedy. Deaths from kidney disease have increased in the United States alone, 72 per cent. in the last 20 years. The risk is great—you can't afford to delay. Maysville people recommend Doan's Kidney Pills. Can you ask for better proof of merit than the statement of this Maysville resident?

W. H. Lynch, shoemaker, E. Third St., says: "My kidneys were weak and sluggish. At one time the action of my kidneys stopped altogether. I finally used Doan's Kidney Pills. In a short time the action of my kidneys became normal. I kept on taking them and they completely relieved me." (State given January 9, 1912.)

TROUBLE NEVER RETURNED
On November 14, 1916, Mr. Lynch said: "I haven't had any need of a kidney remedy since I last recommended Doan's Kidney Pills. They have permanently cured me."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Lynch had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

and educational societies appoint delegates.

As a preliminary to the exercises which will be held under the auspices of the committee in every part of the country next September, the committee is now engaged in a nation-wide educational campaign for the popularization of the Constitution by interpretation. This work is being done by the circulation of pamphlet literature and by speeches made by the thousands of volunteer speakers enrolled on the Security League's staff in all parts of the country.

The Security League hopes to make Dr. Hill's well-known book, "The People's Government" the basis of the literature which it is circulating on the subject. Arrangements to this end are now being negotiated with Dr. Hill's publishers. Other pamphlets and books already in circulation by the committee, through the National Security League, are:—

"The Fundamentals of the American Political System" by Dr. Willoughby, a member of the committee.

"Some Fundamental Political Principles" by Dr. W. F. Willoughby, Director of the Institute for Government Research.

"A Catechism on the Constitution"

by Henry Hitchfield West, author of "Federal Power", former U. S. Commissioner of the District of Columbia and Executive Secretary of the National Secretary of the National Security League.

"How the Constitution Saved the Nation", "The Promise of the Constitution" and "And He Answered the Red Stranger" by Dr. McElroy.

Dr. McElroy, who is serving as active secretary of the committee, explains the objects of the Constitutional Celebration and the preliminary campaign, as follows:—

"The termination of hostilities in Europe abruptly changed the aspect of the patriotic work of the great societies whose mission is the creation of an intelligent enthusiasm for things American. During the last four years, we have all been intent upon the problem of unifying public opinion regarding the great issues involved in the winning of the war against military autocracy. By the myriad patriotic campaigns conducted throughout this nation by these associations, a miracle of transformation was wrought in the public opinion of our polyglot nation. Our people today understand the meaning of what we have destroyed, and their opinion regarding it is clear, enlightened and uniform. Military autocracy has no hidden meaning today. The mask has been torn off, and it stands revealed to our people in all its hideousness.

"We are now asking ourselves the question, 'Are our people equally well informed as to what we have saved?' If our nation is to play the part of leadership in a free world which the developments of the last two years have opened to her, she must understand her own institutions better than tentative Government is now to fate she understands them today. Representing the crucial test of the world-wide experiment. It is therefore imperative that the people of this country, to which so many nations are looking for light and leadership, should be put into intensive training for that leadership.

The reactionary movements labeled 'progressive,' now challenging the attention of the world, are menacing in exact proportion to the ignorance of our people. If we can bring home to them by intensive, instructive campaigns the vital principles of our government as embodied in the documents which real Americans justly reverence, we shall furnish a specific antidote to Bolshevism and kindred reactionary political heresies. "Education," declared Madame Brezhnevskaya, the Grandmother of the Russia, it is vastly more true here where we have not felt the ruthless force which drives men to despair."

IN THE SAME BOAT

Twenty years ago Elihu Rucker was a raftman from a West Virginia county along the Tug Fork of the Big Sandy river. Usually his trips ended when the Ohio river was reached. Now and then he guided a fleet of timber as far as south as Cincinnati. It was on one of these rare occasions that he went out to the zoological garden.

"What did you all think of him, Elihu?" asked Uncle Johnny Weeks, his employer, when Elihu returned and hinted at the range of his explorations.

"Well, Uncle Johnny," Elihu admitted, sheepishly, "what I seed of him stacked up some scrumptious. I shore would admire for to stay ther a month. Out at them thar Zoology gardens war a critter they called a giraffe, eatin' outen a second story window. 'Pon my honor, Uncle Johnny, jess nachully didn't get no further. About all I seed war that varmint's neck."

There are too many holders of Liberty Bonds that are like Elihu Rucker.

All they can see about their bonds today is their market value as quoted on the stock exchange. That overshadows everything else.

Had Elihu looked closer, examined that giraffe at length and leisurely, he would have appreciated the exceptional beauty of the animal. Seen that in grace and symmetry, and sleekness and beauty of coat, it was in a class by itself. Just as it towered above all its fellows in height.

And if you examine closely into your Liberty Bond you will find that it also stands alone as an investment. That nothing approaches it in absolute safety. That you can never lose by holding it. And that with every possibility of risk eliminated its interest return is really exceptional.

But Elihu saw only the neck of that giraffe.

When Others Must Wait!

Long party-line conversations hamper telephone service by making others sharing the line to wait. —they must wait to send calls; —they must wait to receive calls; —has this ever occurred to you? Because other must wait is a very good reason why party-line subscribers should observe the five-minute limit for local calls.

Co-operation between subscribers keeps party-lines open for both incoming and outgoing service.

BIG LAUGH SHOW COMING HERE ON NEXT SATURDAY

"The Little Pink Devil" Which Will Hold the Boards on Saturday Is Great Big Funny Show With Much Music.

The attraction which will be seen here at the Washington Theater Saturday, matinee and evening, April 6, is the season's big laugh getter, "The Little Pink Devil", this uproariously amusing farce is just filled with bright lines that always create laughs, and some twelve musical numbers all catchy. These range from cyno-pated rag to Grand Opera. The story of "The Little Pink Devil" concerns a wealthy retired merchant, one, DeWitt Clinton Hyde, who, with his wife and daughter, has selected one of the fashionable seaside hotel in quest of rest and recreation. At the same hotel there is stopping a young actress and cabaret singer who is known to her numerous admirers as "The Little Pink Devil" and who becomes most attractive in the eyes of DeWitt Clinton. His endeavors toward having a quiet little luncheon with the actress, unknown to his wife, produce many extremely ludicrous complications and most hearty laughs, and the mixup between the pretty little baby and the dog afford more of those hearty laughable situations and keep you constantly in a merry state. There are numerous other amusing situations and there is not a dull moment all through the performance.

The scene represents a fashionable hotel at a famous seaside resort. It is to laugh, sing, dance and make merry. At the head of this company is the popular comedian, Leonard Grover, who has quite a reputation as a great fun getter. He plays the part of the wealthy retired merchant, and with the aid of winsome Kitty O'Neil, who is seen in the title role, Miss O'Neil is a comedienne of ability and has a fine singing voice. She also is a wonder as a pianologist. Elsie Gilbert, the little girl with the remarkably sweet voice, plays the part of the beautiful daughter. Miss Gilbert sings several times during the show. Jack Young, who plays the leading juvenile, has been associated with many leading successful musical comedies. Ella Cameron, as the Militant Suffragette, is excellent. Tommy Dobson, as the colored bell-hop, is very amusing, and the Misses Gilbert, Mabel and Elsie, are pretty girls, nifty dancers and some little comedienne. Then there are others who will round up a company of most acceptable players.

Seats on sale at Shafer & Watkins.

FIRST AGRICULTURE LECTURE ON FRIDAY

DEFINITELY DECIDED TO PLACE SHOW ON BIG LOT

Barkoot's Carnival Will Not Be Placed On the City Streets as Was at First Considered Because of Width of Tents.

The committee under whose auspices the Barkoot Carnival is to be given here next week, Thursday night finally decided that they would not place the shows on the city's streets as was first considered but they have entered into a contract for the rent of the Donovan and the Dryden lots just East of the Baseball park where the shows will be stationed.

This decision was reached when it was learned that the width of the show fronts would practically block the city's streets and this could not be permitted on account of the fire department's rulings. The show also has a great ride known as "The Whip" which takes up much space and a proper place for this ride could not be found on the streets.

The company will reach Maysville over the L. & N. from Lexington Sunday morning and will be unloaded probably at the L. & N. station. The show will open in full blast on Monday afternoon and Monday night is expected to be a big night. Indications are that the weather will be much warmer next week than this.

BRUCE HAS THEM GUESSING

Hiram Duley says: Maysville sports seem to be "up in the air" because the Mason county grand jury adjourned over till the 29th of April. They seem to think Bruce Grannis has something up his sleeve which will come in the nature of a surprise to somebody. But if they haven't done nothing to nobody, why should they worry? It is only another illustration of the truth of scripture, which says: "The wicked flee when no man pursueth."
